

IKEN PARISH COUNCIL

Mrs Tiffany Pollock (Clerk to the Parish Council)

April 2025

Dear Iken Residents,

My fellow councillors and I, together with the Iken Parish Plan Steering and Action Committee (IPPSAC) team, are delighted to share with you **Iken's first Parish Plan**—a milestone achievement for our community.

This initiative was made possible by the dedication of a specially formed group of volunteers from the village, known as the **IPPSAC** and had the full support of **Iken Parish Council**. Over the past year, IPPSAC has worked closely with residents, gathering input to understand (a) what matters most to us all and (b) what we envision for the future of Iken.

Your contributions have culminated in this invaluable publication, and we are incredibly grateful for your input. In particular, the **Parish Council extends its heartfelt thanks to Ceilia, Lynette, and Norman** for their commitment to this process.

The **official release** of the Parish Plan will take place on **2nd May at 6 pm** during our **Annual Parish Meeting** at **Hardy's Barn, Iken Barns**. We warmly invite you to join us, where you will have the chance to meet members of the Parish Council, IPPSAC, and local councillors.

The Plan identified many interesting points, but two key priorities are: **the Village Hall and the river flood defences**. These two important issues will be high on the agenda for discussion both at the Annual Parish Meeting, 2nd May and again at the **next Parish Council meeting (AGM) on 22nd May**.

Your voice matters, and we encourage you to participate in shaping the future of Iken. Please join us for these conversations and lend your perspective to our shared vision.

Kind regards,

Alan
